

Grunsky Method Catalogue

	Name	Code No.	Description	Photo	Price
▼ Carrier I					
	Carrier I	C-I	This lightweight delivery system includes: Aluminum carrier box, H.P. Regulator, L.P. regulator with all necessary piping and gauges. (Cylinder, hoses and assemblies sold separately)		\$890.00
▼ Carrier II					
	Carrier II	C-II	Same as Carrier I with addition of Quick Coupler bypass. Hooks up to risers with ball check valves to bypass cylinder gas. (Cylinder sold separately)		\$950.00
▼ Cylinder					
	Cylinder		Model: 20 cu ft. 1800# ICC Rating. 2015 PSI Working Pressure. 3360 PSI Blow-off safety valve.		\$159.00
▼ Quick Coupler					
	Quick Coupler	QS-I	1/8" Ball Check Valve Probe. 1/4" Ball Check Valve Nipple. 1/4" Ball Check Valve Coupler.		\$89.00
▼ Probe & Bag Assembly					
	Probe & Bag Assembly	PB-750	3/4" : Assemblies consist of a neoprene dipped Latex rubber bag, a pliable neoprene probe and a purge valve set (Code: PBP)		\$135.00

	Name	Code No.	Description	Photo	Price
	Probe & Bag Assembly	PB-1000	1" : Assemblies consist of a neoprene dipped Latex rubber bag, a pliable neoprene probe and a purge valve set (Code: PBP)		\$140.00
	Probe & Bag Assembly	PB-1250	1-1/4" : Assemblies consist of a neoprene dipped Latex rubber bag, a pliable neoprene probe and a purge valve set (Code: PBP)		\$160.00
	Probe & Bag Assembly	PB-1500	1-1/2" : Assemblies consist of a neoprene dipped Latex rubber bag, a pliable neoprene probe and a purge valve set (Code: PBP)		\$210.00
	Probe & Bag Assembly	PB-2000	2" : Assemblies consist of a neoprene dipped Latex rubber bag, a pliable neoprene probe and a purge valve set (Code: PBP)		\$215.00
▼ Gas Riser Bag					
	Gas Riser Bag	B-xx1500	For easy replacement of riser union-style gas stop. 18" bag rolled at both ends.		\$89.00
▼ Bag Alone					
	Bag Alone	B-750	3/4" Bag ONLY : Made of gas resistant natural rubber dipped in neoprene.		\$62.00
	Bag Alone	B-1000	1" Bag ONLY : Made of gas resistant natural rubber dipped in neoprene.		\$62.00

	Name	Code No.	Description	Photo	Price
	Bag Alone	B-1250	1-1/4" Bag ONLY : Made of gas resistant natural rubber dipped in neoprene.		\$69.00
	Bag Alone	B-1500	1-1/2" Bag ONLY : Made of gas resistant natural rubber dipped in neoprene.		\$79.00
	Bag Alone	B-2000	2" Bag ONLY : Made of gas resistant natural rubber dipped in neoprene.		\$79.00
▼ Probe Alone					
	Probe Alone	P-750	3/4" Probe ONLY : Pliable neoprene molded probe.		\$32.00
	Probe Alone	P-1000	1" Probe ONLY : Pliable neoprene molded probe.		\$39.00
	Probe Alone	P-1250	1-1/4" Probe ONLY : Pliable neoprene molded probe.		\$60.00
	Probe Alone	P-1500	1-1/2" Probe ONLY : Pliable neoprene molded probe.		\$95.00
	Probe Alone	P-2000	2" Probe ONLY : Pliable neoprene molded probe.		\$98.00
▼ Purge Valve Set					
	Purge Valve Set	PBP	Set of aluminum fittings for bag set. Selective purge- type valve. 3 piece set.		\$39.00
▼ Water Column Gauge					
	Water Column Gauge	G-15	0-15" of water column. 2-1/2" Dia. 1/4 NPT. Bottom Connect		\$24.00
▼ Ball Valve					

	Name	Code No.	Description	Photo	Price
	Ball Valve	BV-I	1/2" Brass Shut-off valve.		\$29.00
▼ Flex Hose					
	Flex Hose	FH-5	5 ft. 1/2" ID natural gas resistant hose with crush resistant spring and brass fittings.		\$65.00
	Flex Hose	FH-7	7 ft. 1/2" ID natural gas resistant hose with crush resistant spring and brass fittings.		\$75.00
▼ High Pressure Regulator					
	High Pressure Regulator	Series 600	Maximum Inlet Pressure 3000 psi. Internal Outlet Pressure preset to 50 psi. Replaceable gauges & tailpiece available. 0-100 psi gauge. 0-4000 psi gauge.		\$410.00
▼ Low Pressure Regulator					
	Low Pressure Regulator	Fisher L.P	Maximum Inlet Pressure 250 psi. Maximum Reduced Pressure 5 psi. Orifice Size -.073". Inlet Connection - 1/4" NPT. Outlet Connection - 3/8" NPT		\$190.00
▼ Manifold Changer					
	Manifold Changer	MC-100	Comes with 3 ports to connect Probe & Bag Assembly. Hose: 15 ft. Length. Fittings: 3/4" x 1/2" Bushing on swivel, ball valve and elbows.		\$95.00
	Manifold Changer	MC-50	Single increment additional ports to connect to multiple gas meters		\$35.00

	Name	Code No.	Description	Photo	Price
▼ Tote Tray					
	Tote Tray	TT-I	For Use in areas where 250 psi is the maximum available. May be used with propane or off CNG truck tanks. Comes with regulator, gauges, shut-off valve and 10ft. 300# pressure hose. (Flex hose, Probe & bag assembly sold separately)		\$590.00
